PROUDLY SUPPORTING LOCAL INDUSTRY

# 75 million reasons to grow

# local

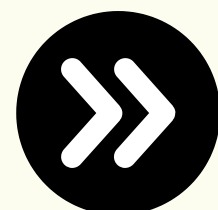

Swipe for more

# Major retailers

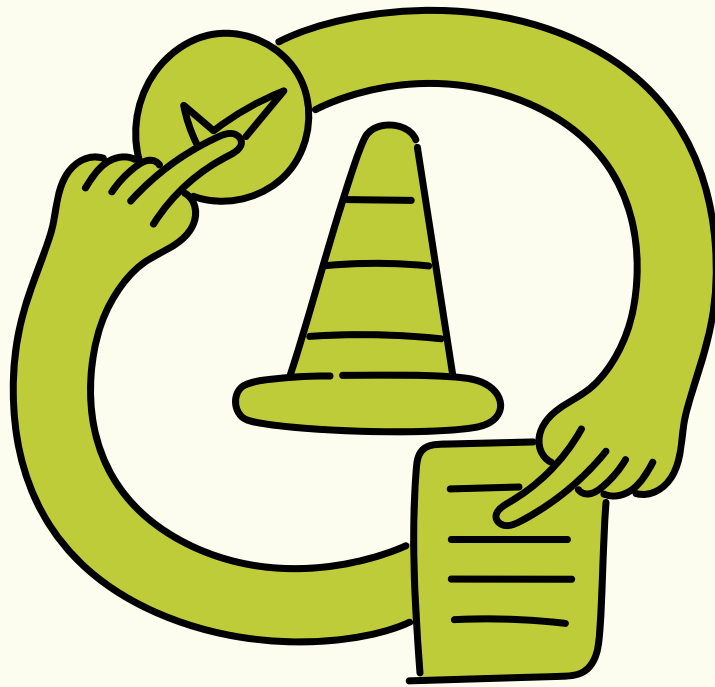

have identified demand for more  
than 75 million additional  
garments from local suppliers by  
2030

# 32 product categories

With demand mapped for 32 product categories, the LSF aims to support South African manufacturers to unlock this growth potential.

# We want to hear from you

Tell us who you are, what support you need, and how we can help you become a competitive supplier in this growing market.

# By getting involved, you can:

- Be shortlisted as a supplier for major retailers
- Access valuable support and resources to strengthen your business
- Play a role in shaping the future of SA's CTFL industry

# Don't miss out
